## Beschreibung

Far back, behind the mountains of words, far from the countries vowels and consonants, live the blind texts. They live in a secluded place in Buchtabhausen on the coast of Semantics, a large linguistic ocean. A small stream called Duden flows through their place and provides them with the necessary rules. It is a paradisiacal land in which fried sentences fly into your mouth. The blind texts are not even dominated by the omnipotent punctuation - a downright unorthographic life. One day, however, a small line of dummy text, her name was Lorem Ipsum, decided to go out into the broad grammar. The big Oxmox advised her against it, as it was teeming with nasty commas, wild question marks and devious semicolons, but the little blind text was not deterred. It packed its seven uppercase letters, slipped its initials into its belt and set off on its way. When it had climbed the first hills of the Kursiv Mountains, it threw one last look back at the skyline of its hometown Buchhausen, the headline of Alphabetdorf and the subline of its own street, the Liniengasse. A rhetorical question ran down his cheek wistfully, then it continued on its way. On the way it hit a copy. The copy warned the blind text that it was where it came from
